See also: British literature This article is focused on English-language literature rather than the literature of England, so that it includes writers from Scotland, Wales, the Crown dependencies, and the whole of Ireland, as well as literature in English from countries of the former British Empire, including the United States. However, until the early 19th century, it only deals with the ...

### **English literature - Wikipedia**

English is an Indo-European language and belongs to the West Germanic group of the Germanic languages. Old English originated from a Germanic tribal and linguistic continuum along the Frisian North Sea coast, whose languages gradually evolved into the Anglic languages on the British Isles, and into the Frisian languages and Low German/Low Saxon on the continent.
