Thanks for the answers. I have tried google already and our Treasury Department has asked our banking partners at HSBC for such a file. We've also asked our local business operations if such a list existed and the response indicated that all that the banking system requires is a bank name and address.

"I'm looking for ideas on how to schedule F110 (Automatic Payment Program) to process the proposal and

payments without user intervention in between. That is, we would like to be schedule a background job to run the payment proposal, and then right after that, the payment program. Has anyone else done something like this? Thanks! Shannon "
