The Advocate's™ Gateway gives free access to practical, evidence-based guidance on vulnerable witnesses and defendants.

Toolkits - The Advocate's Gateway

We're thrilled to report that, on 13 December 2017, Governor Andrew Cuomo announced that the Gateway has been awarded a \$500,000 grant from the Heritage Areas section of the Environmental Protection Fund for the restoration of the Burden Iron Works Museum. This will, at last, bring us very close to finishing the restoration of the facility.

Border Gateway Protocol (BGP) is a standardized exterior gateway protocol designed to exchange routing and reachability information among autonomous systems (AS) on the Internet. The protocol is classified as a path vector protocol. The Border Gateway Protocol makes routing decisions based on paths, network policies, or rule-sets configured by a network administrator and is involved in making ...
