

history of the filipino pdf

The history of the Philippines is believed to have begun with the arrival of the first humans using rafts or boats at least 67,000 years ago as the 2007 discovery of Callao Man suggested. Negrito groups first inhabited the isles. Groups of Austronesians later migrated to the islands.. Scholars generally believe that these social groups eventually developed into various settlements or polities ...

History of the Philippines - Wikipedia

The history of Spanish and American rule and contact with merchants and traders culminated in a unique blend of Eastern and Western cultures in the Philippines. Filipino American cultural identity has been described as fluid, adopting aspects from various cultures; that said there has not been significant research into the culture of Filipino Americans.
