

racism in america a pdf

Aversive Racism. Racism in contemporary world affairs is disguised, and it is what some refer to as symbolic racism, modern racism or aversive racism. These eschew the old-fashioned, redneck ideology of white supremacy and black inferiority and instead espouse support for the ideals of equality in human affairs.

Racism -

Science as a justification for racism: During the 19th century, Darwin published *On the Origin of the Species* (1859), his book documenting the process of evolution. Darwin believed in a natural order to the development of species; the weak die off and the strong survive.
