Poultry Products - Farm Innovators, Inc.

Innovation is a "new idea, creative thoughts, new imaginations in form of device or method". However, innovation is often also viewed as the application of better solutions that meet new requirements, unarticulated needs, or existing market needs. Such innovation takes place through the provision of more-effective products, processes, services, technologies, or business models that are made ...

Social innovations are new social practices that aim to meet social needs in a better way than the existing solutions, resulting from - for example - working conditions, education, community development or health. These ideas are created with the goal of extending and strengthening civil society. Social innovation includes the social processes of innovation, such as open source methods and ...

A telecommunications company was seeking to improve its customer service. Rather than trying to influence mind-sets by, for example, posting signs urging employees to be polite to disgruntled customers, or having employees undergo empathy training, the company focused on what psychologists call a “precursor behavior” a seemingly innocuous behavior that reliably precedes the occurrence ...
